November 10, 2026

Dear CIF Friends,

As 2026 draws to a close, we extend our heartfelt gratitude to our donors, sponsors, patrons, and volunteers. Your generosity has helped CIF make meaningful progress in supporting cancer prevention, early detection, and free treatment for the underprivileged.

We started the year by distributing coffee to devotees at the Sunnyvale Hindu Temple on January 1st. On March 14, we successfully presented **"Yama," a fundraising comedy play**, bringing our community together for an enjoyable evening in support of a worthy cause. We thank everyone who contributed to its success.

Expanding Our Support for Cancer Screening Centers

CIF has **fully funded the operational expenses of all three Cancer Screening Centers** at **Pudukkottai, Thiruvannamalai, and Sivagangai** during 2026. These centers provide cancer awareness, preventive screening, and early detection services to underserved communities through medical camps and village outreach programs.

At the request of Adyar Cancer Institute, CIF has now agreed to extend its support to the **Villupuram Cancer Screening Center** as well. We are proud to expand our reach and bring these vital services to more communities.

Upcoming Events

We invite you to join us for our **Banquet Fundraiser on December 6, 2026, at the India Community Center in Milpitas**, featuring some of the distinguished oncologists as our chief guests.

Your Support Makes a Difference

With the addition of Villupuram, our responsibilities have grown, making your continued support more important than ever. As you consider your year-end charitable contributions, please remember **Cancer Institute Foundation (CIF)**.

We are also working toward establishing a sustainable corpus fund to support the long-term operations of these centers.

Please scan the QR code to make your contribution. Your generosity can help us reach more people and save lives through early detection.

DONATE

Wishing you and your family a **joyous holiday season and a healthy, happy, and prosperous New Year!**

With gratitude,

The CIF Volunteers
